

### 3858 PHX P9000

**Unique Design Bandsaw Blade for Tool Steels and Hard Materials for Better Blade Life**

BAHCO PHX P9000 3858

---

## PRODUCT DETAILS

- Bahco bandsaw blade, best solution for high-performance cutting of large and tough workpieces
- Stiffer backing material and higher grade powder HSS tooth tips give top performance and long life in tough materials.
- Special VariEdge design provides variable rake and clearance angles to optimise each tooth's cutting properties.
- Precise set for smooth surface finish.
- Set levels produce a multi-chip cutting profile that reduces cutting force and improves blade life.
- Special design in combination with sharp cutting edges for easy penetration in tough materials and special alloys.
