

BETON TROWEL

CONCRETE FINISHING
& COMPACTION

BIG BLUE FLOAT

- Big blue finisher is made from highly flexible carbon steel and is an effective concrete sealer leaving the surface very smooth
- In many applications it could be used instead of resorting to a power float finish

SPECIFICATIONS:

Code	Dimensions	Weight
BT111990C	600x300mm kit complete	4,4kg
BT111991C	900x300mm kit complete	5,7kg
BT111992C	1200x300mm kit complete	7,0kg
BT111993C	1500x300mm kit complete	8,3kg
BT111994C	1800x300mm kit complete	9,6kg
BT111995C	2400x300mm kit complete	12,2kg

BT111990C	600x300mm blade only	2,6kg
BT111991C	900x300mm blade only	3,9kg
BT111992C	1200x300mm blade only	5,2kg
BT111993C	1500x300mm blade only	6,5kg
BT111994C	1800x300mm blade only	7,8kg
BT111995C	2400x300mm blade only	10,4kg
