

WeldOps SE-100 Safety Glasses

Clear and grey anti-scratch lens options

WeldOps SE-100 clear, grey

Eye protection for all-day comfort

WeldOps SE-100 eyewear is ultra-lightweight with flexible temples to fit a wide range of facial profiles. The dielectric design contains no metal, and the durable anti-scratch coating extends product lifetime. Available in both clear and grey lenses to ensure your eyes stay safe and comfortable when metalworking, all day, every day.

Applications:

Indoor eye protection – clear lens

Outdoor eye protection – grey lens

- Ultra lightweight
- Flexible temples comfortably fit a wide range of facial profiles
- Dielectric design contains no metal
- Anti-scratch coating increases product life
- Meets CE, UKCA, ANSI, and CSA requirements
