

Companion Spark Black

Companion Spark is our latest sparkling novelty – designed to light the spark to your outdoor adventure. With a high quality fire starter integrated in the handle, the heat from a campfire is always close at hand.

Properties:

Burst from Companion, one of our most popular knives, is Spark a reliable companion that performs great in any weather condition. The durable blade is made of Swedish stainless steel, which makes it easy to maintain and with better edge retention. It has a soft friction grip handle made of TPE rubber, which makes the grip safer and more steady to work with. The polymer knife sheath has a practical belt clip for attaching the knife to a rucksack or a belt. Companion Spark is also equipped with a reflective paracord for the fire starter which reduces the risk of misplacing it.
